Our **2022** show, the 34th in historic Boiling Springs, PA, will be held on **Saturday, June 4th from 9am to 4pm, rain or shine.**

Booth Information

- The streets of Boiling Springs PA are quaint (narrow and uneven); please bring leveling props capable of handling up to a 10" differential in booth space pavement. All spaces are 12' wide and will accommodate standard 10 x 10 tents with proper leveling pieces.
- Nothing (tables, awnings, flags, etc.) may extend beyond the white dots that mark the front line of the booth space to ensure adequate emergency vehicle access.
- All tables must be skirted to the ground.
- Where there is sidewalk behind booths, it must be kept clear.
- Booths must be properly weighted – at least 40 lbs per leg - for the safety of all exhibitors and patrons.
- All work exhibited must be designed and made by the craftsman who must be present at the show. No resale, commercially produced works, kits, patterns, or prefab forms are permitted. The Foundry Day Committee reserves the right to require the removal of any work deemed not in compliance with these requirements.
- Booth assignments are subject to last minute changes at the discretion of the Foundry Day Committee.
- Exhibitor parking is available for one vehicle per booth. Additional vehicles may be parked in designated overflow areas (we will notify you later). Overnight parking is not permitted. Electricity is not available.
- Booth fee checks are non-refundable upon acceptance to the show.

- Applicants must submit four digital (JPG or JPEG) images - three representative of the work to be exhibited and one of your booth set up. Images should be no larger than 1920x1920 pixels, no smaller than 700x700 pixels. You may submit your images on a CD, as attachments to an email, or ask us to use images that we already have on file (see application form).
